Ms. Cathy Wolf

Dear Ms. Wolf:

Thank you for making the fourth annual joint Point-in-Time (PIT) Homeless Survey and Project Homeless Connect (PHC) an outstanding event! Your support and cooperation were commendable.

Bergen County's caring community joined together to help people who are homeless:

- Over 200 individuals received information or referral services to help them regain their self-sufficiency.
- Over 1,100 adults and children were counted in the PIT Survey. The data will inform service needs.
- Over 30 generous donors supplied food, clothing, hygiene supplies and funds for gift cards.
- Approximately 30 concerned volunteers and staff greeted people, provided information, and administered surveys at Project Homeless Connect.
- Thirty-four agencies sent knowledgeable staff to provide information and service referrals.
- Over 75 responsive service agencies including police departments, libraries, hospitals, clinics, shelters, municipal and county welfare offices, job training programs, and other programs administered the survey and/or directed clients to the PHC.

Homelessness is a challenging issue in Bergen County. Your help has brought Bergen County one step closer to the goal of ending homelessness. We look forward to working with you on the next PIT/PHC.

Thank you for your participation on this event.

Sincerely,

Dennis McNerney
