

Circle K International

The George Washington University
Circle K International Club (GWUCK)

April 24, 2009

Dear Wrap4ASmile Foundation,

The George Washington University's Circle K Club is a branch of Circle K International, the largest collegiate service organization and service leadership program in the world. Sponsored by Kiwanis International, Circle K is one of the most active community service clubs at GWU - its members having completed more than 2400 hours of service this academic year.

In March of 2009, a group of thirteen GW Circle K members traveled to the small town of Bataan, Costa Rica, to carry out a week-long community service project. During this trip we painted the library and classrooms, improved the grounds of Bataan Elementary School (Escuela de Bataan), as well as establish a connection between the students and our members. We also donated school supplies, books, school uniforms and other resources, giving these underprivileged children some of the tools they need to successfully continue their school year.

On behalf of GW Circle K, we would like to thank you for your generous donation of school supplies for 50 children, coloring books, children's books and hygiene packets for our Costa Rica trip. Your donation went a long way to making the children of Costa Rica smile wide for a better future.

If you would like more information about our community service project or if you would like to help in any other way, please contact our club Immediate Past President, Orlando Carvajal, by phone: 704.942.0929, or by email: carvajal@gwu.edu. You may also visit our website at www.gwcki.org for more information.

Yours in Service,

Orlando Carvajal *Nancy* *Elizabeth Abel*
Rachel Eisenberg *John* *James*
Greg *Alan*
