Greetings,

First and foremost, I would like to take this opportunity to congratulate Wrap 4 A Smile Foundation, Inc., and all the volunteers on your Fourth Annual Fundraiser. I know how much hard work and determination it takes to plan and launch such an event; it is through those efforts that you have brought pride and distinction to yourselves, your family and our community.

The Wrap 4 A Smile Foundation was established in 2005, whose Mission Statement reads; "To extend community service and reach out to those less fortunate, encourage students to participate in local community service and to promote public healthcare programs".

I believe you are obtaining that mission. I feel it is extremely important for every generation to have an understanding and appreciation of the benefits of community service, understandably it is a win-win situation for all involved, and we should all take pride for your accomplishments.

As one of your representatives in the State of New Jersey Legislature, I would like to thank everyone involved with Wrap 4 A Smile Foundation, Inc., for your continued efforts in community service, which have earned recognition in the State of New Jersey.

I wish you great success on this and your future events.

Sincerely
