

We are saddened with the sudden lost of
Our dear friend, supporter and volunteer,
JOHN S. MUI.

John's Widow, Alice Mui has been serving as
our Trustee and President. Their Son, Jonathan Mui
is also our loyal supporter, youth volunteer
since 2005, and now will be serving as one of our
Youth Advisory Board members.

The late John S. Mui was an unsung hero to his family
and friends. He was a very kind and generous person
who cared about others unconditionally. John would
help anyone that needed his help. He supported youth
efforts to continue their higher education and to
become successful in life.
