Greetings,

I would like to extend my congratulations to "Wrap 4 A Smile Foundation, Inc." for celebrating their 5th anniversary. Once again you have reached out and touched those in need, near and far.

Some highlights from this past year are: achieving 1,000 plus service hours earning you the Presidential Volunteer Service Award. Coming to the aide of those in Haiti with much needed hygiene supplies and continuing to help stock the Emergency Food Pantry and Hudson County Soup Kitchens to which more and more citizens now turn to in these troubled times. As you continue to raise public awareness to healthcare issues and the importance in community service, thru after school and summer outreach programs.

I commend you on your dedication, and being true to your Mission Statement. The world is a better place because of you, and your efforts. I am proud to say I represent you in this the 32nd Legislative District of the state of New Jersey. I hope we will be celebrating with you for many years to come.

Sincerely yours,
