Dear Ms. Wolf:

It is with deep appreciation that I acknowledge- the generous and thoughtful contribution of food items for the holiday season to Palisades Emergency Residence Corporation (PERC).

Since its founding in 1981, PERC has continuously strived to improve the lives of men, women, and children in need. PERC believes that the necessities of food and shelter are basic rights for all and that each and every individual deserves dignity, respect, and opportunity, regardless of socio-economic status. For more than a quarter of a century, our staff has provided shelter, food, clothing, education, and counseling to thousands of homeless and at-risk adults and families.

With your kind support, we provide warmth to those who are cold, food to those who are hungry, and shelter to those who are homeless. We serve those in need and offer men, women, and children—people like you and me—better opportunities and brighter futures.

It is because of friends like you that PERC is able to defeat the cycle of poverty.

Again, thank you for your partnership and your generous assistance.

Sincerely,

Brian Poffel
Director of Development
