To Whom It May Concern::

On behalf of the staff and residents of the St. Lucy's Emergency Shelter, I would like to thank you for your generous donation. Donations support our efforts to provide shelter, meals, clothing and supportive services to many homeless men and women seeking our assistance and are essential to our daily operations of the shelter.

St. Lucy's Shelter is one of nine programs addressing homelessness operated by Catholic Charities in Jersey City and Newark. Please feel free to call us at 201-653-3366 if you would like additional information. Again thank you so much for thinking of us.

Sincerely,

Brenda S Pulaski
