Dear friends of our troops,

Thank you for your donation! Your donation of hygiene packs to Support the Troops NJ makes you part of our team. Without the donations we could not be as successful as we have been in sending over 6.400 pounds of supplies to our troops in the war zone since October 2007.

As you know, Iraq, Afghanistan and the outlying areas are very dangerous places. The men and women who are serving there in the Army, Marines, Navy, Air Force, and Coast Guard do not have many of the everyday items that we all enjoy at home. Thank you again for your support as it means a quite a bit to our deployed troops that people back home care about them. You can see more about we do and some photos of the troops we support at [www.SupportTheTroopsNJ.org](http://www.SupportTheTroopsNJ.org).

Sincerely,

Regina & Jim Shuster
