A Resource Center for Pregnancy & Sexual Health

June 26, 2008

Dear Kevin:

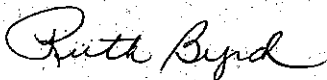

It was my pleasure to meet you yesterday at Today's Choice and to learn about your participation in such a rewarding community outreach as Wrap 4 A Smile. Seeing the many program recipients listed on your information sheet speaks of the many hours of work that each of you has contributed to make an impact on those in the community who are less fortunate.

We are delighted that you chose to donate the individual gift bags, the diapers and food products to Today's Choice. As each client accesses our services they will receive a bag from Wrap 4 A Smile which will speak to them of others who care enough to reach out with a helping hand. Knowing that others are concerned enough to give of their time and energy to help brings comfort to families in distress. As your outreach extends you are promoting stronger communities and increasing awareness among your peers.

Thank you for taking the time to come. I have shared with the volunteers in our agency knowledge of the outreach of Wrap 4 A Smile.

Have a healthy, happy summer.

Sincerely,

Ruth Byrd
Director of Client Services
