United Way of Hudson County promoted volunteer opportunity to corporations through Wrap 4 A Smile Foundation, Inc.'s Corporate Social Responsibility (CSR) Program to Target Stores in North Bergen and Jersey City, New Jersey.

Target stores employees lent a hand to help the homeless. Target Corporation donated 450 pieces of wash clothes and 500 rolls of toilet paper to support Wrap 4 A Smile programs.

A total of 20 employees and family members worked together to pack 300 hygiene kits for families and individuals that stayed at the PERC Shelter in Union City, NJ. The volunteers also spent hours to write encouraging greetings to our servicemen and women who were serving in Iraq. 700 daily shower kits along with a meaningful greeting were shipped to New Jersey troops.
